BENEFIT

- ▶ Students can improve their understanding of their native language
- ▶ Students can become more competent communicators
- ▶ Students can be more open to other cultures
- ▶ Students can develop better cognitive functions
- ▶ Students can become more confident and self-reliant

DIMULTI EDUCATIONAL & IMMERSION PROGRAMME (D.E.I.P)

- ▶ At DEIP, we have worked closely with our school partners and the local community in the target country to produce a unique program that will help students to be confident English speakers
- ▶ We provide all students a safe and caring environment, where they can experience in real life to use their language skills in everyday situations
- ▶ Our team maintains a close contact with the students throughout their stay period, both at school and in the host family. This is to ensure that the students are safe during their time with us
- ▶ There are many ways to learn a language. But in reality, only one way to master it. We provide the perfect environment to achieve it in such a short period of time through our "immersion in the language and in culture" programme
- ▶ Studies show that the immersive experience does not only help the student to learn the languages and culture better. This will be beneficial to improve the development of cognitive skills to a greater cultural awareness. These skills and attributes will allow the students to grow and prepare their success in the future as adults in a globalized world
- ▶ Some students may have specific requirements. Therefore, we offer a comprehensive service that covers all aspects of the experience, from before arrival to transfers to the airport, school location, guardianship, activities, and outings. We offer flexible starting dates and a simplified reservation process.

THE MIDDLE EAST PROGRAMME

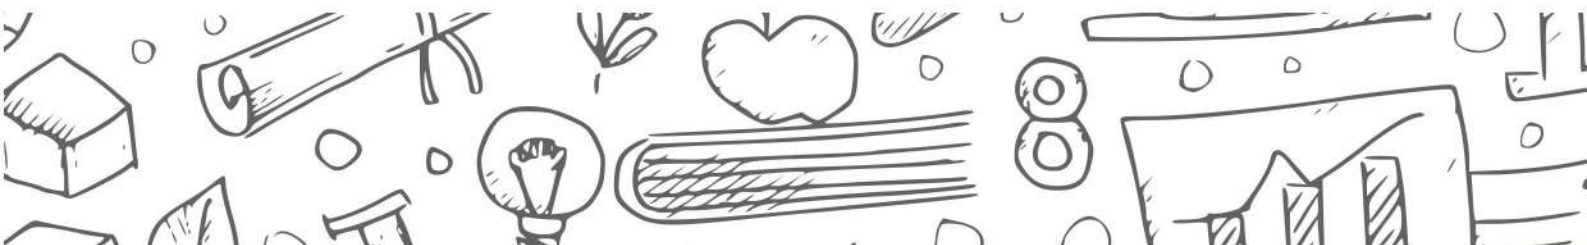

DAURAH AND LEARN ARABIC PROGRAMME

WHY IS **D.I.E.P** IS DIFFERENT ?

- ▶ Thorough **Leadership System Training** prior to the program. Therefore it can be applied and practiced during the program
- ▶ Improvement of leadership abilities as well as the improvement of the language mastery
- ▶ Greater cultural awareness
- ▶ More confident and independent through the experience of living in a foreign country
- ▶ Friendships and networking

SCHOOL IMMERSION

- ▶ **PROGRAM**
- ▶ **FAMILY HOUSE**
- ▶ **AFTER SCHOOL ACTIVITIES**
- ▶ **EXCURSIONS**

BEHAVIOR

Students must have an excellent level of behavior

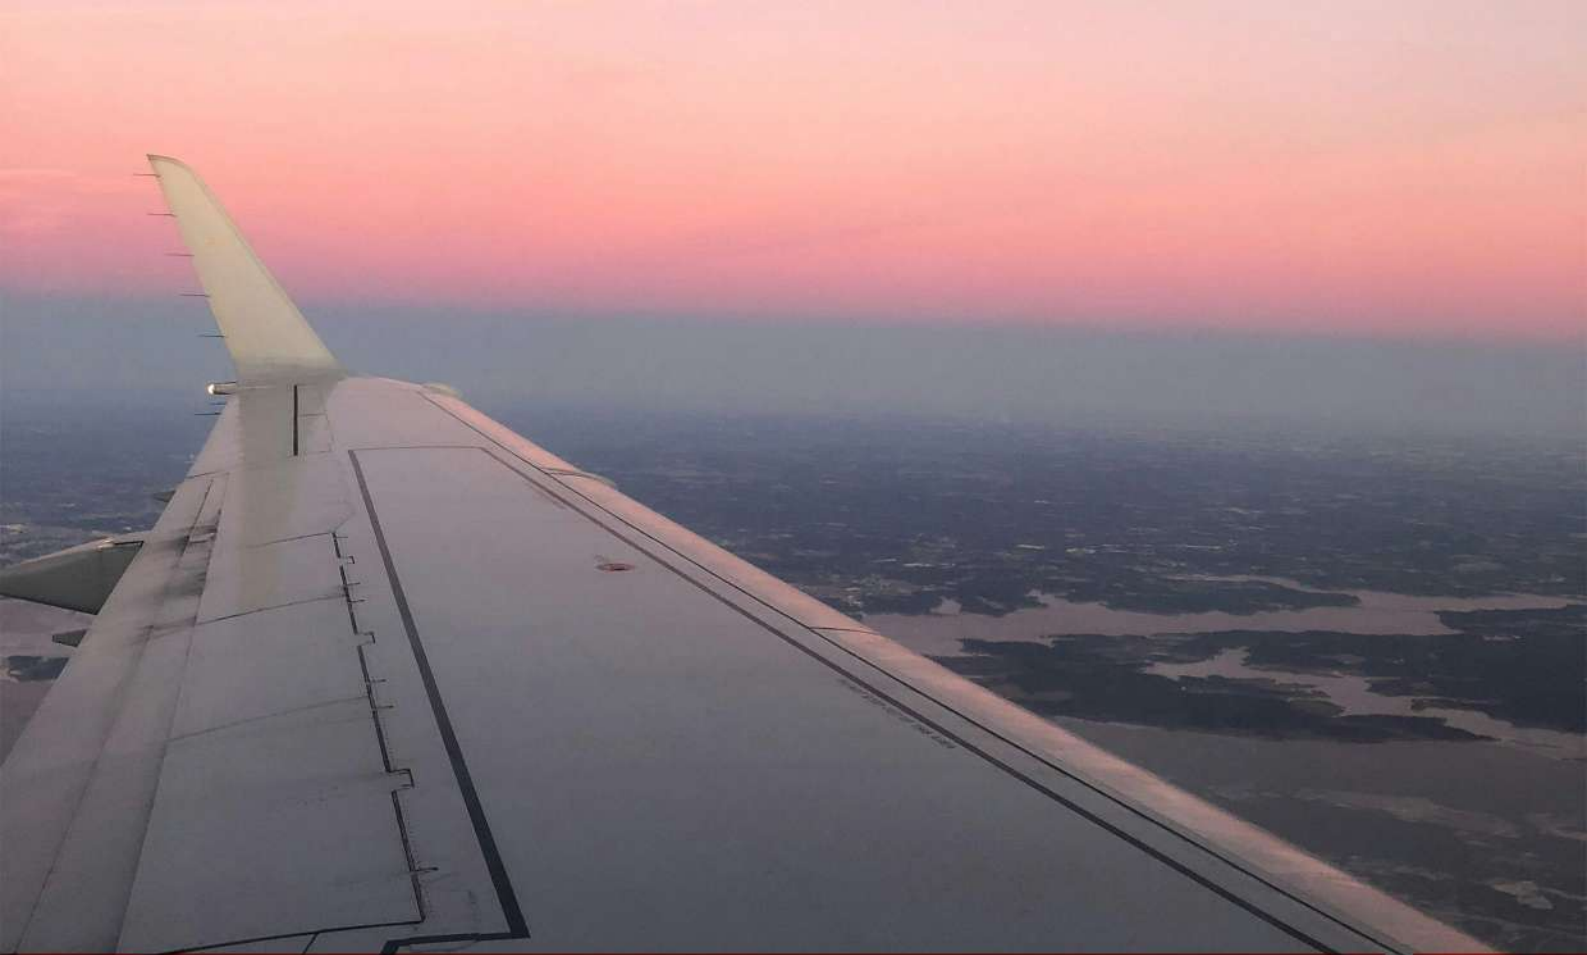

During your stay the student must respect the rules established by the nominated schools and all associated personnel and their host family

OUR SYSTEM OF FRIENDS AND NETWORKING

We have a special **BUDDY** system where each student in the group will be paired with a student who attends the target school. The **BUDDY** is a dedicated companion to help the guest student with their school orientation and language practice. The guest student will attend the same lessons as the **BUDDY** and follow their schedule. Usually, the **BUDDY** learn the native language of the guest student, which helps them both to learn each Other's culture more quickly.

ACCOMMODATIONS

1 As part of the immersion experience, we provide qualified accommodation with host families to all students

2 The host family accommodation offers a safe and comfortable environment for the students to live and relax after school and or activities. By living with a local family, the students will have more opportunities to practice their language development and learn more about the culture of the Country

3 We have worked with experienced host families for many years and understand the importance of ensuring that your child is welcomed and supported. Most of our host families are shared with another guest student who placed in the same school, according to our point of view, it provides the most favorable environment

OUR FAMILIES ARE

- ▶ Friendly: your students will feel welcomed
- ▶ Experienced: they have hosted students from all around the world for many years.
- ▶ Inspected: carefully selected, supervised, and visited
- ▶ Under the supervision of authority : every adult in the host family, has police permission to work with children or people with disabilities.
- ▶ Continuously-improving : we ask for the comments from the students in each family housing. This feedback will be shared to host family members as their improvement materials.

FAMILIES & FOOD

FOOD AND ANIMALS

- ▶ During the week, students will have lunch together, creating a great community atmosphere, building friendships and advancing their conversation skills in English.
- ▶ At weekends and at night, students will eat with their host families.
- ▶ Host families provide balanced, nutritious, and healthy meals.
- ▶ Please advise of any dietary requirements or allergies, we will adjust it to your needs.

AFTER SCHOOL ACTIVITIES

After the academic activities, we offer the students leisure activities which involves cultural aspect, sports, and fun.

All the activities are programmed so that the students know more about the cultural and historical environment of the places where they are staying.

Our excursions are based on personal experiences and suggestions from our clients and travelers'; In addition, all itineraries are 100% created with the happiness of the students in mind. Our trips include Education, Art, History, intriguing facts of place and fun.

We believe that education travel changes people in a positive way.

We believe that we should all have the opportunity to explore the world since this experience is an integral part of having a better education and a broader perspective of the world around us.

Parents, students, and educators can rest assured that they are traveling with experienced tour guides from places to visit and with special training and certification to work with minors and people with disabilities.
